I, the undersigned have read and agree to Meow Mews Cattery Terms and Conditions (see separate document) and agree to the terms of this contract.

Should my cat(s) require veterinary care (this also includes out of hours service), I give Meow Mews full permission to transport my cat(s) to the nearest vet practice and authorise treatment in the event of an emergency or illness. In this event, I authorise the chosen vet to administer any necessary medical treatment - this also includes euthanasia should the vet feel this is the necessary and required course of action to follow.

I confirm that I will be fully responsible for any costs which might be incurred, either veterinary or other, as a result of any sickness, accidents or damages caused to or by the Cat(s) named within this document and that I will pay any such costs in full on my return.

I understand that the total cost of all services will be paid in full to Jennifer Reid on the day I collect my cat(s). Should Meow Mews be required to settle any additional invoices in my absence, such as veterinary care, transportation costs, proprietors time or damages caused by your cat(s), during the pendency of this agreement, I agree to reimburse Meow Mews cattery in full. Please note the aforementioned are only a few examples of possible additional costs, the list is not limited to the aforementioned.

Furthermore, I agree that Meow Mews Cattery will not be held liable for any costs incurred.
